

# Elkdale Membership Bulletin

Dear Membership:

We would like to ask for everyone's help in putting a renewed focus on maintaining our golf course. With the increase in play from both members and guests, every ball mark and divot that is repaired/replaced goes a long way in keeping our course in great condition. If everyone does their part, it only improves playing conditions for all of us.

Over the next couple of weeks, you will see a renewed focus to have a rangers presence out on the golf course, especially on days with heavy play. If you see golfers abusing the course or creating a situation that needs attention, please reach out to the Pro Shop with your concerns.

We thank you for continuing to support Elkdale, and we look forward to an exciting and enjoyable summer.

Sincerely,

Board of Directors
