SCORECARDS: When finished please drop scorecards off and fill out the scoresheets at the scoreboard area. **Circle birdies and note birdies on the scoresheet.**

Scoring is the same as in the past

LEAGUE GUIDELINES:

1. Non-members will pay \$20 per week, this covers cart and green fee for the night. Members pay a cart fee of \$8.
2. The league will use one-half of your club handicap depending on whether you play from the # 4 tee or # 5 tee. If you have an odd-number handicap, you receive the extra stroke on the front nine. For example, a player with a 17 handicap receives 9 on the front nine and 8 on the back. Non-members handicaps are based off their best league scores. A list of members and league only player handicaps be listed each week outside the golf shop.
3. TEES: The standard tees will be the #4's, though some may opt to play the # 5 tees. If a player is playing the # 5 tee and is competing against a player on the # 4 tees, with the new World Handicap System players play against each other with the listed handicap for the tees they are playing. No further adjustment is needed as in the past.
4. Format is individual match play the low handicap player on each team play each other in a match and the high handicap player each other in a match. If handicap is tied use the handicap index. One point for each hole won or ½ point if the hole is tied total of 9 points per individual match. (We no longer have a **bonus point for low net score**, we hope this will help speed up and allow people to pick up when out of the hole or concede more putts to their opponents.)

5. If only one member of a team is present, she will play both opponents on the other team. (A team that forfeits receives 0 points and the other team receives 12 points) if both teams have one player missing the missing players will split the points 4.5 to 4.5. The present team members will play a normal match.
6. Please honor the 10-stroke limit unless the outcome of the hole is still in doubt.
7. In order to speed up play, feel free to offer "gimmes" to your opponent if her putt is inside the length of the grip of the club.
8. At any point, you are free to pick up on the hole and forfeit the point for that hole to your opponent. If you are in doubt of a rule, please do not argue, get upset or delay play, with the number of rules in this game no one can know them all. Play a second ball count them both then ask for a ruling when you get in.
9. After completion of play, one player should, circle your birdies and note birdies on the scoresheet, fill out the scoresheet at the scoreboard area near the golf shop. Show new players how to score! The golf shop staff will post all league scores in the handicap computer and calculate handicaps based on league scores for those who do not have a USGA handicap. Please remember those with a USGA handicap are responsible for posting all other 9 or 18 hole rounds you play during the season. Please put LAST NAMES, the DATE and TEES Each Player Played, ON THE YOUR SCORECARDS

| Hole | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | Out |
|---------------------|-----|-----|-----|-----|-----|-----|-----|-----|-----|------|
| #1 69.2/120 Men | 392 | 292 | 481 | 169 | 410 | 437 | 318 | 356 | 157 | 3012 |

| Date: | | Scorer: | | | | | | | | | |

The top scorecard is an example of how to set up a score card for the Ladies League.

D. Smith and S. Smith are partners on team #1 and B. Jones and L. Hacker are partners on Team #2. The numbers next to each player name is half of their club handicap. The lower handicap player on each team play each other in a match and the higher handicap players on each team play a match. As you can see D. Smith has to give B. Jones the difference in their two handicaps so B. Jones gets 5 shots. L. Hacker gets 1 shot. I used dots to designate where the strokes fall. The strokes are allocated according to the Red tee handicap (basically the difficulty of the holes are rated 1 to 18) so as seen above B. Jones receives 5 shots on the hardest handicap rated holes.

The lower scorecard shows how we keep track of the match points. I use a (1) for a win (0) for a loss and a (-) for a tied hole. There are nine points for the hole by hole match. Please mark down your nets score, we like to recognize low gross and low net on the weekly results. (Net is your actual score minus your handicap).
